

Lucky Liar

Team Members : Aaron, Alexander, Bruno, Eddy and Micheal

Rules

- * Cards from Ace to 6
- * One die
- * Split the card equally, the one with least cards goes first
- * throw the die pick a person and repeat this 2 times and different people each time
- * When you pick a player, he has 2 options:
 - he puts the card down which is represented on the die. if he doesn't have it, he says it doesn't got it. if he does he has 2 options:
 - he puts the card on the table, faced up, or he can lie, that he doesn't have that card. if the person who chose the liar doesn't notice he's liar he won't need to put the card down. if he gets caught he is disqualified. if the person who chose the player, says to him he isn't

a tier, if the chosen is disqualified.

Objective

The player left with cards
win.

Rules

- * Take cards from Ace to 6 from the deck.
- * One dice
- * Deal the cards equally between the players.
- * The person with the least cards starts
- * Depending on how many people are in the game, is how many times a player can roll a dice. So if there is 5 players, each player gets ~~3 dice~~ to roll the dice 3 times. If it's 4 players, only 2 rolls. ~~and~~ always 2 less, ect.
- * The objective is to keep your cards.
- * Players will take turn to Roll the die and pick another player, ~~the~~ this other player will then see if ~~he~~ he contains a card with the number on the die. If he does, he must put it on the table faced up. If not, he

says he doesn't have it.
